

# Global Aid Foundation

Reg No: 2015/C1909

**Motto: Service to humanity, the best work of life**

Collaborating with  
**HEART N HANDS, INC. USA**

A STRATEGIC PARTNERSHIP  
FOR THE ADVANCEMENT OF THE GOSPEL

## **LETTER OF INTRODUCTION**

Global Aid Foundation For Youth And Less-Privileged (GAFYAL) is a Christian Organization (in a collaborative partnership with Heart n Hands Inc. USA) present in the Gambia. Our program includes supporting both children, youths & the less- privileged in the key areas of, education, skill acquisition projects and of course their general development education irrespective of gender, nationalities, race, profession, ethnic group, belief or languages.

Global Aid Foundation School Outreach Program (GAFSOP) is an evangelistic outreach run in collaboration with Heart n Hands Inc. USA. We work directly with schools and communities to build up and empower children for possessing a future with a hope to it. We strive to touch the whole man, through timely lessons, role modelling, citizenship training, as well as providing them with materials to aid in their growth both spiritually and educationally. We hope to include some feeding programs in the future and computer labs.

This program helps schools fulfil their governmental requirement of equal opportunity and access to religious training in the Christian sector, since Qur'anic teaching is already mostly implemented. This project's significance includes but is not limited to:

- Godly values, Christian Doctrines and Teaching will be taught in conjunction with how this applies to all sectors and walks of the student's lives. Therefore, this will enable them to be better students, better behaved at home and better siblings, and productive citizens, equipped with a "can do" attitude!
- The participants will learn among other things, leadership skills, citizenship, interpersonal-communication, personal responsibility for their actions- both good and bad, as well as having a sense of self-worth, value and dignity instilled into them.
- Purchase of Bibles for all children requesting one in the targeted schools.

Thanking you in advance for your active partnership.

Yours in His service,

*Christopher C. Simeon*
